FORMAL STATEMENT OF REVIEW
<p>This document records a project review meeting between the two parties mentioned herein. This meeting was convened to manage a previously identified risk: the original project owner's departure from the project. To ensure continuity, a new product owner was appointed. The following items were addressed during the meeting:</p> <ul style="list-style-type: none">Clarification on the project environment and libraries to be used.Discussion to determine appropriate scheduling.Establish recurring meetings with both the client and the end-users.
